Dear Spencerville Fair Exhibitor

The 156th edition of Spencerville Fair is just five short months away – September 8 – 11, 2011.

We are working hard to make it another successful fair. New last year – a system that allows you to make your entries on line –24 hours a day – until cut off date – approximately one week prior to the Fair. Bonus for Homecraft exhibitors, we will print off all your tags for the classes you are entering as well as your contact information. (No more having to print this all out on your entry tags – provided you make your entries on line.)

But we need your help – please email us your email address- as well as the full names and email addresses of everyone that lives in your household. If you only have one email address for your household, please indicate the full names of everyone that used this email address. We will send back an email with a temporary password, which you can change if desired.

Please send all your information to info@spencervillefair.ca. We are working towards making this easier for everyone to enter the 156th fair and all future Spencerville Fairs.

Looking forward to hearing from you.

Regards,

Dorothy Seeley
Secretary
Spencerville Agricultural Society
